Re: SCRAP METAL PILES
REMOVAL ACTION W.P.

Mr. Jack Craig
Project Manager
U.S. DOE FEMP
P.O. Box 398705
Cincinnati, Ohio 45239

Dear Mr. Craig:

As was discussed with you on February 12, Ohio EPA has concerns about the Scrap Metal Piles Removal Action Work Plan. The work plan does not contain a complete description of the response activities or a sampling and analysis plan. Because some of these activities are dependent on contractor selection, etc., DOE should respond to Ohio EPA and U.S. EPA as to when they will have all information necessary to submit a complete work plan.

If you have any questions about this approach please contact me.

Sincerely,

Graham E. Mitchell
Project Manager
